Junior Legion Nine Is Being Groomed

A Junior Legion baseball team, sponsored by Fred and Percy Mansfield Post 90 of Pahokee, is being organized by Ralph H. Gress, athletics officer of Post 90 and a member of the Pahokee High School coaching staff.

Candidates for the team started their second week of practice Monday evening with the fundamentals of the game stressed by Coach Gress. He is grooming for the pitcher's box Julian Snyder, a right hander who was one of the mainstays of the last year's team, and Huston Connell, who is showing much improvement over last year when he served as a relief pitcher. Jackie Thomas, Raymond Caruthers and Max Wilson are trying out for catcher. Infield candidates include Shirley, Sims, Jackson, Mosley, Chaney and Hooks; outfield, Kirk, Holmes, Sutton, Wilder, Dickson and Stuckey. Coach Gress is being assisted in the training program by Clyde Alley, James Stafford and Joe Tom Boynton who caught last year for the West Palm Beach Indians.

Carmen Salvendy is acting as business manager for the team. Gress is making arrangements for a practice game with Canal Point Sunday and hopes to have his team in tip-top shape by the time the Junior Legion League play gets underway on June 15.

Lions Hear New Hospital Plans

Pahokee Lions at their Tuesday luncheon meeting announced plans to join members of the Clewiston and Belle Glade Lions Club in joint installation ceremonies for new officers to be held in Belle Glade on the night of June 11. Ladies night will also be observed at the joint meeting with wives of members of the three clubs invited to attend as guests.

Jess M. Elliott reported that plans and estimates for the proposed new hospital were recently submitted to the Pahokee City Council following which the council voted to make arrangements for calling a bond election to finance the city's share in the cost of construction.

James H. Wilson reported that work will be resumed immediately on the swimming pool at the city park and if present plans are carried through the pool will be completed in time for use this summer. David Bleech was named to represent the Lions on a civic committee which will petition the government to open the gates on the Lake Okeechobee levee for the convenience of sight-seeing visitors.

E. P. Holt, local commercial agent for the Seaboard Air Line Railway, was received as a new member with Frank Rozelle, Sr., delivering the address of welcome. Mr. Rozelle and M. I. Keen gave reports on the Lions State Convention which they attended last week in St. Augustine.

Garrison Is Named Okeechobee Principal

X. L. Garrison, of the Pahokee high school, has been named supervising principal of Okeechobee High and Elementary School. Action was taken by the Okeechobee County School board at a meeting held on May 10. Mr. Garrison's many friends in the Pahokee and Canal Point community will wish him success in his new field of education.

Bond Issue Fails In Tuesday Voting

Lack of participation on the part of 492 freeholders in Palm Beach county defeated the proposed \$3,600,000 school bond issue on Tuesday of this week. Registrar DeWitt Upthegrove said that 20,787 freeholders were qualified to participate in the bond election. In order for the election to be legal it is necessary that 50 percent plus one take part.

In the Everglades section of the county the voting was unusually heavy. In Belle Glade 756 voted for the bonds and a handful against. In Pahokee 496 were in favor while 12 voted against. At Canal Point 89 voted for and 13 against. At Chosen a total of 74 participated in the voting. At South Bay 23 voted in favor of the bonds and 6 against.

Proponents of the bond issue on Wednesday morning were of the opinion that many who were not in favor of issuance of bonds merely remained away from the polls—thus accomplishing a two-fold purpose against the bond issue.

Take Your Choice, Neighbor!

The missus—who writes our Woman's Column in the *Clarion* under the name of "Nancy Gale"—gets letters about recipes, advice on etiquette, home management, etc.

One letter she got last week was about a recipe she published for Welsh Rarebit—made with tart cheese, Worcestershire, and a cup of sparkling tangy beer. "Turned out great," says her correspondent. "But you didn't mention what beverage to serve with it. Should I serve beer? Cider? Iced tea?"

The missus' answer was simply:

"Any beverage your guests prefer. You don't have to serve cider—any more than you have to serve beer...but it's often courteous to let guests have a choice."

From where I sit, that simple answer applies to more items than Welsh Rarebit. In a world where everyone has different tastes and ideas—we should recognize those differences—and never deny the right of choice to anyone!

Cinematic Chatter

By Malcolm Millar

There have been comedies written on every subject under the sun . . . Some of them so screamingly funny that one went home with aching sides and quivering stomach muscles . . . But there never has been a comedy written on the subject of a adult male "baby sitter", such as "Sitting Pretty", which is the offering at the Prince Theatre, this coming Sunday-Monday.

This delightful and entirely different comedy takes place at a spot called "Hummingbird Hill," that community will never be the same, since the coming of Clifton Webb, (as the baby sitter,) to these parts.

Stars of the piece are Robert Young and Maureen O'Hara . . . But, I must place Clifton Webb right there with them, for his handling of his difficult role stamps him as a star in his own right. There are many other well known players in this cast, but the star players mentioned are the ones who carry the most of the hilarity.

The management wants it to be understood they are proud to offer this great comedy that goes beyond laughter.

See you at the movies—Mal.

Pahokee Baptists Hear Visiting Pastor

Much to the delight of the pastor, Rev. C. A. Moberg, last Sunday's program of worship in the First Baptist Church of Pahokee, conducted by the Rev. Dursma of West Palm Beach, resulted in expressions of favor of the many who attended. With joy we announce the return of Rev. Dursma in the not too distant future.

Sunday morning's eleven o'clock service will be broadcast over WSWN and will be dedicated to Miss Lois Morgan. Miss Morgan has returned to St. Mary's Hospital in West Palm Beach for further treatment. The young people will assist Rev. Moberg. Miss Margaret Powell will be the pianist with 35 young people in the choir. The pastor will preach on, "The Ministry of Suffering."

The midnight hour of May 15 saw the declaration of the existence of the new Jewish state of Israel. What does this mean in the light of the Bible? Will it last? Is it of God? Will the temple be rebuilt? Will it stand, if built? What about the secret covenant mentioned in the Bible? Has it been made?

Will the Jews of the world return to Palestine? What does all this mean for the entire fabric of society? That Rev. Moberg, a student of Jewish affairs, might do justice to the subject, just ten minutes will be devoted to the preliminary program with the speaking beginning at ten minutes after eight. It is suggested that all interested bring Bibles for the references that will be given.

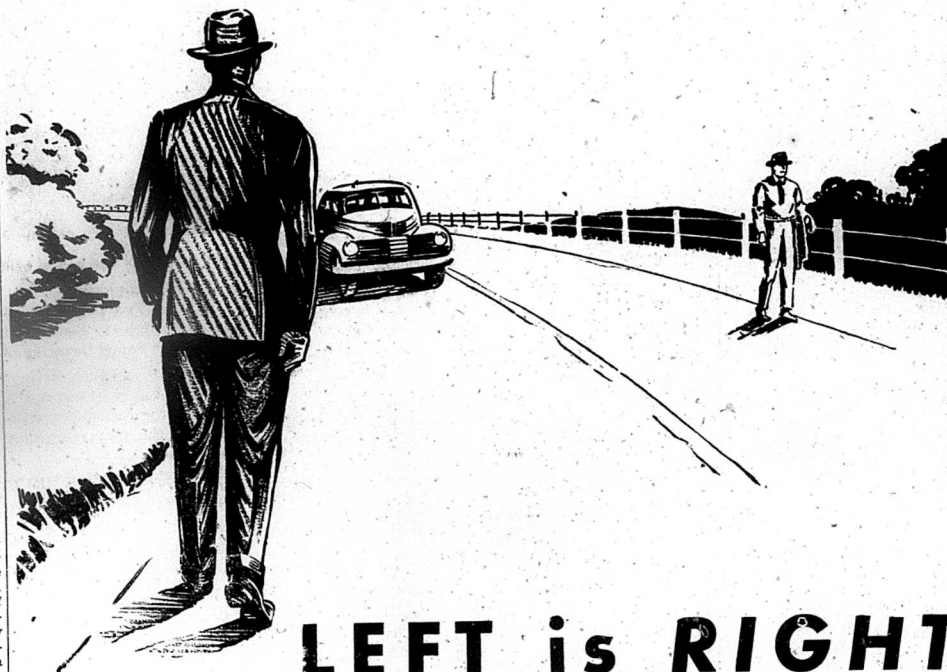

The spirit and attendance of the Pahokee Men's Bible Class, because of the interest and continued increase of the membership find the group, "looking up" and hopeful of reaching its goal of 200 on roll. This Sunday's lesson, "The Temple in the Nation's Life," is most timely in view of the Jewish situation this hour. All interests are invited to attend.

BPWC INSTALLS

The annual installation banquet of the Everglades Business and professional Woman's Club will be held at the Pahokee Woman's Club building on Tuesday, May 25, at 8 p. m. Mrs. Sara Creech, past president of the B&PWC State Federation, will act as installing officer.

BAPTIST TEACHERS AND OFFICERS MEETING

The monthly meeting of the teachers and officers of the Sunday School of the First Baptist Church of Pahokee, will be conducted Monday night in Fellowship Hall at 7:30. All are urged to attend.

LEFT is RIGHT ON THE HIGHWAY

That's right! When you must walk on the highways in rural or suburban areas, always walk on the left side of the road—facing traffic.

There is plenty of reason for this. Last year for every person killed facing traffic three were killed walking with traffic. 24 Floridians lost their lives and 33 were injured walking the wrong way instead of facing oncoming cars. For every daytime fatality there were 4 deaths during the dusk and dark hours. Six more people lost their lives merely standing in the road.

Never assume you are safe when walking on the highways—many times you are hard to see. Then, too, the despicable hit and run driver is still at large—his numbers and his victims increasing. In the first six months of 1946, 78 hit-and-run accidents were recorded in Florida and 16 were killed by these car cowards.

So remember for your own sake—on highways, walk to the left facing traffic—be alert to danger—be alive tomorrow.

Girl Scouts Enjoy Unusual Program

Pahokee Girl Scout Troop One, one of the most active and best of organized troops in the history of local girl scouting, will be humming with activity for the next 10 days prior to disbanding at the June 1 meeting for the summer.

Twenty-four of the scouts plan to attend the Deer Lake Girl Scout Camp and one, Peggy Lynn Shirley, will attend the Juliet Lowe Camp at Cloudland, Ga. To raise funds to help defray camp expenses and other troop expenses the scouts are selling tickets for the motion picture, "It Happened On Fifth Avenue," to be shown at the Prince Theatre and are sponsoring a cookie sale, having already sold 350 boxes of cookies with 200 boxes yet to be sold. The

troop is also sponsoring a rummage sale Saturday with Mrs. Parnell Enecks and Mrs. R. F. Hurt, finance co-chairman for the troop committee, in charge of arrangements. Contributions to this rummage sale are being received by Mrs. Hurt.

All mothers and grandmothers of the scouts are invited to attend the troop's final meeting of the season on June 1. The program will be under the direction of Peggy Lynn Shirley, Stella Sue Barnes and Ann Thompson. Leaders and parents of the scouts are also urged to attend a county-wide meeting to be held at the Presbyterian Church in West Palm Beach on Friday, May 28.

This excellent troop of girl scouts, sponsored by the Pahokee First Methodist Woman's Society of Christian Service, approximately a year ago was organized by Mrs. Joe Tom Boynton who is serving as troop captain. Mrs. Boynton is being ably assisted in

her work by Mrs. James A. Stafford, Mrs. Kenneth Mock, Mrs. David Bleech, members of the Troop Committee and others. Mrs. Leslie Futch also served as assistant leader for the troop before moving to Orlando several weeks ago.

Young People Do The "Impossible"

The Young People's Class of the Canal Point Methodist Sunday School did the impossible last Sunday by doubling its former average attendance with 24 present, passing Mary Helen Hooks Junior Boys to cross the finish line of the class contest well in advance of the boys. The eyes of the entire Sunday School will be on the Young People's Class next Sunday to see if they hold their record attendance. Bill Johnson is the teacher. Better not let us down, Bill.

The Junior Boys may have missed their chance at first place, but they are not going to miss second place, they say. A very close contest has developed off the South coast of Australia with Connie Pope's Junior Girls, Mrs. W. P. Pope's Woman's Bible Class and A. R. Harrington's Men's Bible Class in a virtual deadlock. The contest isn't over yet! Let's make it 150 next Sunday.

"Nothing to Draw With" is the text of the sermon by the pastor at 11 a. m., the theme being found in John 4:11, "The woman saith unto Him, 'Sir, thou hast nothing to draw with, and the well is deep.' The living waters are there, but the well is deep. Every Christian needs something to draw the waters up. The gospel message is one of challenge and hope.

"Ye have said, 'It is vain to serve God.' " These words from Malachi 3:14 will serve as the theme of the Evening Service at 7:30 following the singing of more beloved Gospel hymns. "Is It 'Useless to Serve God?' " will be the sermon. Ont thousand four hundred and

eighty-eight was the actual number of doughnuts sold, made, and delivered by the Youth Fellowship last Saturday to raise its pledge of \$25 for the Sunday School building (not including several hundred that "disappeared" in the finishing process.) Harold Hayes was the star salesman, selling 38 dozen. Max Wilson sold 20 dozen, Gene Buchanan 18 dozen.

Twenty-eight members of Young

Married Fellowship enjoyed a rib barbecue at the Joe Parkers last Friday. Hosts for the evening were the Earl Maxsons and the Parkers. The Roy Popes and the W. E. Blackwells will entertain at the June 11 meeting.

Mr. and Mrs. Albert Snyder have as a guest this week her mother, Mrs. A. J. Johns, of Fort Myers.

AIRWAY SUCCESSFUL

ORLANDO — Florida Airways far outdid itself in passenger, air mail and air express activity during the month of April, it has been disclosed by Oscar Bergstrom, vice-president and general traffic manager. In every category of airline business, Florida Airways showed a decisive increase over all previous high records. Percentile increases went as high as 280 per cent over figures of a year ago when the firm was in its first months of operation.

With its unusually high percentage of completed flights, Florida Airways is fast developing a reputation of dependability. Last month the completion factor was 99.86 per cent, topping the former mark of 99.6 per cent of August 1947. It has been noted that all flights were completed terminal to terminal but that a few intermediate stops were passed over because of weather conditions.

FROM FIREMAN TO SUPREME COURT

W. MAY WALKER

Orphaned early in his childhood, W. May Walker, deprived of the assistance and advice of a father, worked as a gun digger, slabb-toter, plow hand, truck driver and fireman. Here in the sloughs, hammocks, fields, highways and towns of Florida he encountered all of the hardships and obstacles that confronted a youth of his age. It was here he received his first inspiration of thought and sentiment—it was here he knelt before nature's rugged majesty and received the royal stroke of a noble manhood that inspired him to study law at night. It was here he acquired the strength of mind and character that enabled him to pass the bar examination with one of the highest grades of his class.

Here in the midst of Florida he became a successful lawyer and won the confidence of his people who twice elected him County Judge. The people of his district then twice elected him Circuit Judge, at which post he has served with distinction for eight years. His varied experience in life has given him a vast knowledge of the laws of nature which has enabled him to temper justice with mercy wherever extenuating circumstances would justify. An unsurpassed sense of justice has enabled him to settle with fairness the differences of his fellowmen who came before him. This has made him an outstanding jurist of this State and all that know him now recommend him to all the people of Florida. When Judge W. May Walker is elected Supreme Court Judge of Florida the people by their vote will have chosen one more member for our Court of last resort who understands the hardships and trials of all the people; a Judge who can sympathize with the Mothers, Fathers, Sons and Daughters of Florida.

A vote for May Walker in our opinion will be a vote to establish and perpetuate justice in our Court of Final Jurisdiction.

Hearing Is Held On FEC Reorganization

JACKSONVILLE — Hearing is now being held on six motions pertaining to the reorganization of the Florida East Coast Railway.

Bankers Trust Co., of New York, trustee for first and refunding bondholders of FEC, asks modification of two court orders last July which gave bondholders a lien on the railway proper for \$1,400,000 superior to any right the Atlantic Coast Line Railroad may obtain under FEC reorganization.

The court is asked to approve payment of one or more interest coupons on the refunding bonds. A coupon is worth \$1,125,000.

Receivers Scott M. Loftin and John W. Martin are petitioning to spend \$860,000 for additions and improvements to the road.

The New York trust company would have the court declare certain assets of FEC not subject to the mortgages on it. These assets include stock held by FEC in Peninsular and Occidental Steamship Co., Railway Express and Fruit Growers Express as well as several pieces of property.

The ACL is asking to intervene in Federal Court in the FEC reorganization. It has been granted the right to intervene before the Interstate Commerce Commission.

Answer.—Identity is the reflection of Spirit, the reflection in multifarious forms of the living Principle, Love. Soul is the substance, Life, and intelligence of man, which is individualized, but not in matter (477:19-24).
